Interreg North-West Europe

23 April 2024

Irma Botic
Project Officer
Joint Secretariat Interreg NWE

European Structural and Investment Funds

Interreg?!

Strengthening **cooperation** between regions and countries in the EU

Promoting **regional development**, cohesion, and reducing economic disparities

*"promote a green, smart and just transition
for all NWE territories with the aim to support
a balanced development and make all
regions more resilient"*

NWE Interreg Programme 2021-2027

Interreg NWE 2021-2027

Interreg

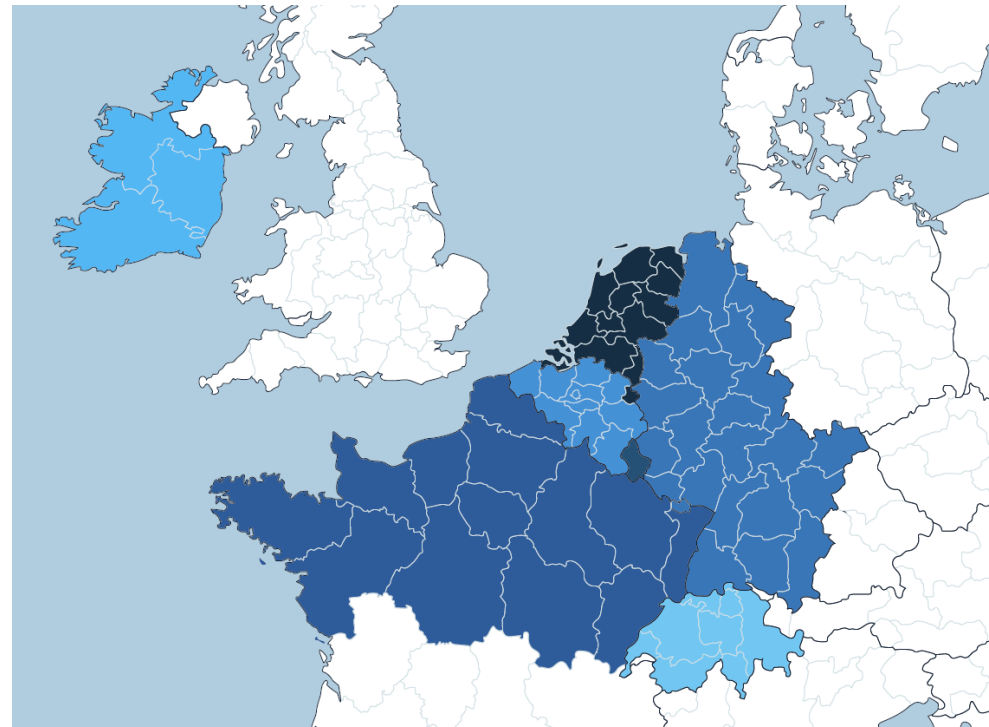

Co-funded by
the European Union

North-West Europe

7 countries

Total budget: €310,480,455

Co-funding rate: up to 60%

Programme priorities

Interreg

Co-funded by
the European Union

North-West Europe

Climate and
environment

Energy transition

Circular
economy

Innovation and
resilience

Inclusive society

Priority 2

Energy transition

SO 2.1 aims to increase the capacity of NWE communities to exploit potential for improving energy efficiency by identifying opportunities that increase the energy performance.

SO 2.2 aims to contribute to increasing the capacity of NWE communities to exploit the potential to improve renewable energy production and consumption mix.

Territoriality

Cooperation
